## 12. FACULTY OF HEALTH PROFESSIONS

### A. DEPARTMENT OF MEDICAL LABORATORY SCIENCE

**Lecturer I** Area of Specialization: Haematology, Histopathology, Clinical Chemistry & Medical Microbiology & Parasitology.  
**Lecturer II** Area of Specialization: Haematology, Histopathology, Clinical Chemistry & Medical Microbiology & Parasitology

### B. DEPARTMENT OF NURSING

**Lecturer I** Area of Specialization: Medical/Surgical Nursing (Ph. D), Psychiatric/Mental Health Nursing (Ph. D), Maternal and Child Health Nursing (Ph. D).

### C. DEPARTMENT OF PHYSIOTHERAPY

**Lecturer I** Area of Specialization: Orthopaedics/Musculoskeletal, Neuro-Physiotherapy,  
**Lecturer II** Area of Specialization: Orthopaedics/Musculoskeletal, Cardiorespiratory, Neuro-Physiotherapy, Ergonomics, Geriatrics

### D. DEPARTMENT OF RADIOGRAPHY

**Senior Lecturer** Area of Specialization: Medical Imaging/Advanced Radiography (US, MRI, CT) Practise/Radiation Protection & Safety/Radiographic Anatomy & Pattern Recognition  
**Lecturer I** Area of Specialization: Medical Imaging/Advanced Radiography (US, MRI, CT) Practise/Radiation Protection & Safety/Radiographic Anatomy & Pattern Recognition  
**Lecturer II** Area of Specialization: Medical Imaging/Advanced Radiography (US, MRI, CT) Practise/Radiation Protection & Safety/Radiographic Anatomy & Pattern Recognition  
**Assistant Lecturer** Area of Specialization: Medical Imaging/Advanced Radiography (US, MRI, CT) Practise/Radiation Protection & Safety/Radiographic Anatomy & Pattern Recognition.

## 13. FACULTY OF LAW

### A. DEPARTMENT OF JURISPRUDENCE AND INTERNATIONAL LAW

**Lecturer I** Area of Specialization: Jurisprudence or International Law.  
**Lecturer II** Area of Specialization: Jurisprudence or International Law.  
**Assistant Lecturer** Area of Specialization: Jurisprudence or International Law.

## 14. FACULTY OF LIFE SCIENCES

### A. DEPARTMENT OF BIOCHEMISTRY

**Lecturer I** Area of Specialization: Bioinformatics/Computational Biology, Forensic Biology  
**Lecturer II** Area of Specialization: Molecular Biology and Enzymology

### B. DEPARTMENT OF BOTANY

**Senior Lecturer:** Area of Specialization: Applied Botany, Plant Ecology  
**Lecturer I** Area of Specialization: Plant Ecology, Horticulture,  
**Lecturer II** Area of Specialization: Plant Ecology, Horticulture, Plant Virology, Plant Taxonomy & Biosystematics, Plant Physiology, Plant Pathology, Phycology, Palynology, Ethnobotany.

### C. DEPARTMENT OF CELL BIOLOGY & GENETICS

**Lecturer I** Area of Specialization: Bioinformatics, Molecular Biology with Human inclination, Ecology, Forensic Biology.  
**Lecturer II** Area of Specialization: Cell Biology, Synthetic Biology, Conservation Biology, Artificial Intelligence Forensics.

### D. DEPARTMENT OF MICROBIOLOGY

**Lecturer I (CONUASS 4)** Area of Specialization: Medical Microbiology with bias in Virology & Immunology.  
**Lecturer II (CONUASS 3)** Area of Specialization: Industrial Microbiology with bias in Microbial Industrial Raw Materials Production & Scale up, Industrial Microbiology with bias in Fermentation Technology & Application, Pharmaceutical Microbiology with bias in Natural Products, Food Microbiology with bias in Microbial Biotechnology & Biotransformation, Medical Microbiology with bias in Mycology, Environmental Microbiology with bias in Microbial Ecology and Bioinformatics

### E. DEPARTMENT OF MARINE SCIENCE

**Lecturer I** Area of Specialization: Benthic Ecology, Marine Fisheries, Phycology/Plankology, Biological Oceanography, Fish Toxicology, Fish Nutrition, Fish Pathology, Shellfish Biology  
**Lecturer II** Area of Specialization: Physical and Chemical Oceanography, Maritime Science, Marine Conservation/ Resources & Sustainability, Fish Biology, Fish Preservation & Processing, Fishing Craft & Gears, Fisheries Economics.

**Assistant Lecturer** Area of Specialization: Ecotoxicology, Aquaculture

## 15. FACULTY OF MANAGEMENT SCIENCES

### A. DEPARTMENT OF ACCOUNTING

**Lecturer I** Area of Specialization: Taxation.

### B. DEPARTMENT OF ACTUARIAL SCIENCE & INSURANCE

#### i. ACTUARIAL SCIENCE

**Lecturer I** Area of Specialization: Actuarial Science, Pensions & Pension Analytics, Life and Health Insurance, Actuarial Statistics, Actuarial Modelling, Actuarial Computing & Data Analytics, Financial Mathematics, Financial Modelling Quantitative Risk Management, Risk Analytics, Financial Engineering.

**Lecturer II** Area of Specialization: Actuarial Science, Pensions and Pension Analytics, Life and Health Insurance, Actuarial Statistics, Actuarial Modelling, Actuarial Computing & Data Analytics, Financial Mathematics, Financial Modelling, Quantitative Risk Management, Risk Analytics, Financial Engineering.

**Assistant Lecturer** Area of Specialization: Actuarial Science, Pensions and Pension Analytics, Life and Health Insurance, Actuarial Statistics, Actuarial Modelling, Actuarial Computing & Data Analytics, Financial Mathematics, Financial Modelling

## 16. FACULTY OF MEDIA AND COMMUNICATION STUDIES

### A. DEPARTMENT OF MASS COMMUNICATION

**Lecturer I** Area of Specialization: Political Communication & Journalism, Strategic Communication, Public Relations, Advertising  
**Lecturer II** Area of Specialization: Broadcasting Print & Media Studies

**Assistant Lecturer** Area of Specialization: Strategic Communication, Broadcasting.

### B. DEPARTMENT OF ADVERTISING AND PUBLIC RELATIONS

**Lecturer I** Area of Specialization: Public Relations, Advertising  
**Lecturer II** Area of Specialization: Broadcasting Print & Online Journalism, Public Relations, Advertising, Journalism & Media Studies

**Assistant Lecturer** Area of Specialization: Strategic Communication, Public Relations, Advertising, Broadcasting.

### C. DEPARTMENT OF JOURNALISM AND MEDIA STUDIES

**Lecturer I** Area of Specialization: Communication & Journalism, Strategic Communication.  
**Lecturer II** Area of Specialization: Online Journalism, Journalism & Media Studies

**Assistant Lecturer** Area of Specialization: Strategic Communication, Online Journalism, Journalism & Media Studies

## 17. FACULTY OF PHARMACY

### A. DEPARTMENT OF CLINICAL PHARMACY & BIOPHARMACY

**Lecturer I** Area of Specialization: Ph.D. in Clinical Pharmacy/ Biopharmacy in any of Infectious Diseases, Pharmacy Management, Pharmacy Practice, Pharmacokinetics, Public Health, Pharmacoeconomics, Non Communicable Diseases, Veterinary Pharmacy, Community Pharmacy & Global Health Pharmacy  
**Lecturer II** Area of Specialization: M. Sc. in Clinical Pharmacy with the

required CGPA and willingness to pursue a Ph.D. in any of Infectious Diseases, Pharmacy Management, Pharmacy Practice, Pharmacokinetics, Public Health, Pharmacoeconomics, Non Communicable Diseases, Veterinary Pharmacy, Community Pharmacy & Global Health Pharmacy.

### B. DEPARTMENT OF PHARMACOGNOSY

**Lecturer II** Area of Specialization: Pharmacognosy

**Assistant Lecturer** Area of Specialization: Pharmacognosy

### C. DEPARTMENT OF PHARMACEUTICAL CHEMISTRY

**Lecturer II** Area of Specialization: B. Pharm., M. Sc. Pharmaceutical/Medicina Chemistry, Ph.D. Pharmaceutical/Medical Chemistry: Registered pharmacist with the Pharmacy Council of Nigeria  
**Assistant Lecturer** Area of Specialization: Pharmacy, Chemistry, Industrial Chemistry/Biochemistry with a good M.Sc. Pharmaceutical/Medical Chemistry: Registered Pharmacist with the Pharmacy Council of Nigeria

### D. DEPARTMENT OF PHARMACEUTICAL MICROBIOLOGY AND BIOTECHNOLOGY

**Lecturer I** Area of Specialization: Biotechnology

**Lecturer II** Area of Specialization: Pharmaceutical Microbiology, Biotechnology  
**Assistant Lecturer** Area of Specialization: Pharmaceutical Microbiology

### E. DEPARTMENT OF PHARMACEUTICS AND PHARMACEUTICAL TECHNOLOGY

**Lecturer II** Area of Specialization: Drug Delivery/ Pharmaceuticals

## 18. FACULTY OF PHYSICAL AND EARTH SCIENCE

### A. DEPARTMENT OF GEOSCIENCES

#### i. GEOLOGY

**Lecturer I** Area of Specialization: Applied Geochemistry, Mineral Exploration, Environmental Geology, Engineering Geology, Hydrogeology, Structural Geology, Economic Geology, Petrology Paleontology.  
**Lecturer II** Area of Specialization: Applied Geochemistry, Mineral Exploration, Environmental Geology, Engineering Geology, Hydrogeology, Structural Geology, Economic Geology, Petrology Paleontology.  
**Assistant Lecturer** Area of Specialization: Applied Geochemistry, Mineral Exploration, Environmental Geology, Engineering Geology, Hydrogeology, Structural Geology, Economic Geology, Petrology Paleontology.

#### ii. GEOPHYSICS:

**Lecturer I** Area of Specialization: Exploration Geophysics, Engineering Geophysics, Environmental Geophysics, Mining Geophysics, Borehole Geophysics.  
**Lecturer II** Area of Specialization: Exploration Geophysics, Engineering/Environmental Geophysics, Mining Geophysics, Borehole Geophysics.

**Assistant Lecturer** Area of Specialization: Exploration Geophysics, Engineering/Environmental Geophysics, Mining Geophysics, Borehole Geophysics.

#### D. DEPARTMENT OF MATHEMATICS

**Lecturer I** Area of Specialization: Algebra, Complex Analysis, Solid Mechanics, Partial Differential Equation.  
**Lecturer II** Area of Specialization: Mathematical Modelling, Fluid Mechanics, Partial Differential Equation, Functional Analysis, Numerical Analysis.

**Assistant Lecturer** Area of Specialization: Algebra, Complex Analysis, Solid Mechanics, Mathematical Modelling, Fluid Mechanics, Partial Differential Equation, Functional Analysis, Numerical Analysis.

**C. DEPARTMENT OF PHYSICS**

**Lecturer I** Area of Specialization: Lower Atmosphere Physics, Solid Earth Physics, Solar Energy Physics.  
**Lecturer II** Area of Specialization: Ionospheric Physics, Solid State Physics, Theoretical & Computation Physics, Radiation & Health Physics, Solid Earth Physics.

#### D. DEPARTMENT OF STATISTICS

**Lecturer I** Area of Specialization: Probability Theory, Stochastic Processes, Operations Research, Sample Survey, Statistical Quality Control/ Industrial Statistics, Data Science.

**Lecturer II** Area of Specialization: Probability Theory, Stochastic Processes, Operations Research, Sample Survey, Statistical Quality Control/ Industrial Statistics, Data Science.

**Assistant Lecturer** Area of Specialization: Probability Theory, Stochastic Processes, Operations Research, Sample Survey, Statistical Quality Control/ Industrial Statistics, Data Science.

#### ii. BIOSTATISTICS

**Lecturer I** Area of Specialization: Survival Analysis, Epidemiology, Genomics & Bioinformatics, Statistical Genetics, Spatial Statistics, Bayesian Biostatistics, Longitudinal Data Analysis, Meta-Analysis, Public Health.

**Lecturer II** Area of Specialization: Survival Analysis, Epidemiology, Genomics & Bioinformatics, Statistical Genetics, Spatial Statistics, Bayesian Biostatistics, Longitudinal Data Analysis, Meta-Analysis, Public Health.

**Assistant Lecturer** Area of Specialization: Survival Analysis, Epidemiology, Genomics & Bioinformatics, Statistical Genetics, Spatial Statistics, Bayesian Biostatistics, Longitudinal Data Analysis, Meta-Analysis, Public Health.

#### iii. DATA SCIENCE

**Lecturer I** Area of Specialization: Machine Learning, Artificial Intelligence, Optimization, Probability Theory, Operations Research, Big Data Computing, Data Mining, Big Data.

**Lecturer II** Area of Specialization: Machine Learning, Artificial Intelligence, Optimization, Probability Theory, Operations Research, Big Data Computing, Data Mining, Big Data.

**Assistant Lecturer** Area of Specialization: Machine Learning, Artificial Intelligence, Optimization, Probability Theory, Operations Research, Big Data Computing, Data Mining, Big Data.

## 19. FACULTY OF SOCIAL SCIENCES

### A. DEPARTMENT OF ECONOMICS

#### i. DEVELOPMENT STUDIES

**Lecturer I** Area of Specialization: Environment & Development

**Lecturer II** Area of Specialization: Education & Development, Governance & Development, Trade & Development, Health & Development.

#### B. DEPARTMENT OF GEOGRAPHY

##### i. METEOROLOGY AND CLIMATE SCIENCE

**Lecturer I** Area of Specialization: (i) Meteorology: (Boundary Layer Met & Turbulence, Atmospheric Thermodynamics, Regional Climate Systems, Dynamics Meteorology, Numerical Weather Prediction, Climate modelling, Cloud Physics & Weather Modification, Mesoscale Weather Systems).

(ii) Applied Meteorology and Climate Science: (Satellite Meteorology, Marine Meteorology & Physical Oceanography, Aeronautical Meteorology, Climate Change risk and vulnerability, Climate Adaptation and Mitigation). Physical Geography with Geo-Information Application in Process Modelling (Coastal, Catchment/Fluvial, Landscape/Erosion)

**Lecturer II** Area of Specialization: (i) Meteorology: (Codes, Obsv. & Plotting, Numerical Weather Prediction, Climate Modelling, Synoptic Analysis, Dynamic Meteorology, Mesoscale Weather Systems).

(ii) Applied Meteorology and Climate Science: (Satellite Meteorology, Marine Meteorology & Physical Oceanography, Aeronautical Meteorology, Agro-meteorology, Energy Meteorology

Geographic Techniques (Remote Sensing, GIS modelling, Cartography and Spatial Analysis)

#### C. DEPARTMENT OF SOCIAL WORK

**Lecturer I** Area of Specialization: Research Methods for Social Works

**Lecturer II** Area of Specialization: Research Methods for Social Works, Family Welfare & Child Protection & Social Welfare Administration,

Environmental Social Work, Forensic Social Work, Industrial Social Work/Entrepreneurship, Vocational & Disability Social Work.

**Assistant Lecturer** Area of Specialization: Family Welfare & Child Protection & Social Welfare Administration, Environmental Social Work, Industrial Social Work/Entrepreneurship, Vocational & Disability Social Work.

### D. DEPARTMENT OF LIBRARY AND INFORMATION SCIENCE

**Senior Lecturer** Area of Specialization: Library and Information Science

**Lecturer I** Area of Specialization: Library and Information Science

**Lecturer II** Area of Specialization: Library and Information Science

## 20. ENTREPRENEURSHIP AND SKILL DEVELOPMENT CENTRE (ESDC)

**Lecturer I** Area of Specialization: Entrepreneurship Education & Training Management, Business and Innovation Management, Youth Talent and Skills Management, Business Administration

**Lecturer II** Area of Specialization: Business Administration (SMEs), Business and Innovation Management, Entrepreneurship, Project and Product Management, Entrepreneurship Education & Training Management,

**Assistant Lecturer** Area of Specialization: Entrepreneurship, Business Administration, Computer Science/Business Analytics/Data Science, International Business & Entrepreneurship

## 21. INSTITUTE OF AFRICAN AND DIASPORA STUDIES

**RESEARCH FELLOW I** Area of Specialization: Anthropology/Sociology

**RESEARCH FELLOW II** Area of Specialization: African Literature in English, African Literature in French, Literature in African Languages, African and Diaspora Music, African and Diaspora History, African Arts, African Theatre, Geography, Economics, Ecology

**JUNIOR RESEARCH FELLOW** Area of Specialization: African Studies, Black Studies/African Studies related discipline

## 22. DISTANCE LEARNING INSTITUTE

### A. Management Sciences:

**Lecturer I** Area of Specialization: Accounting, Business Administration, Finance,

**Lecturer II** Area of Specialization: Accounting, Business Administration, Finance,

**Assistant Lecturer** Area of Specialization: Accounting, Business Administration, finance.

### B. Social Sciences

**Lecturer I** Area of Specialization: Economics, Public Administration.  
**Lecturer II** Area of Specialization: Economics, Public Administration.

**Assistant Lecturer** Area of Specialization: Economics, Public Administration.

### C. Education:

**Lecturer I** Area of Specialization: Education Technology, Early Childhood Education, Educational Management, English Education, Guidance & Counselling  
**Lecturer II** Area of Specialization: Education Technology, Early Childhood Education, Educational Management, English Education, Guidance & Counselling.

**Assistant Lecturer** Area of Specialization: Education Technology, Early Childhood Education, Educational Management, English Education, Guidance & Counselling

### A. SALARIES

1. Positions on Senior Lecturer (Current national minimum wage will be applied) per annum

2. Positions on Lecturer I (Current national minimum wage will be applied) per annum

3. Positions on Lecturer II (Current national minimum wage will be applied) per annum

4. Positions on Assistant Lecturer (Current national minimum wage will be applied) per annum

### B. CONDITIONS OF SERVICE

As contained in the approved Conditions Governing Service of Senior/Junior Staff of the University of Lagos.

### C. GENERAL REQUIREMENTS

All applicants **MUST** possess Master Degree and/or Ph.D where applicable for the desired position. In addition, applicant must have relevant teaching or research experience, i.e. senior lecturer positions, minimum of six (6) years teaching/research experience, lecturer I position, minimum of three (3) years teaching/ research experience in a University, research institution or equivalent institution.

All applicants **MUST** have SSCE/NECO/WASC/GCE O/L credits in 5 subjects including Mathematics and English. Applicant must be ICT compliant.

**Only shortlisted candidates will be invited for IT proficiency test (CBT) before interview.**

### D. METHOD OF APPLICATION
